

7th & 8th Grade Guys

Ever Wish You and Your Friends Could Have More Fun?

B.O.W.

BOYS ONLY WEEKNIGHT

More Time to Hang Out...

B.O.W. is just for guys. Spend time with old and new friends having fun! B.O.W. is about trying new things without all the pressure to be a "star". No tryouts, no worries, no being good enough or "in" enough or successful enough. Just be you.

More Things to Do...

What can you do at B.O.W.? Some of that will depend on you – your input and ideas are very important. Just a few ideas: try scuba diving, have a cookout, enjoy a game night, get tips on your golf swing, play ultimate Frisbee, make a video, learn to lift weights – and so much more!!!

More Encouragement...

Each week there's a new activity. Presenters with different areas of interest and expertise will share what they know, and you'll get a chance to try things out just for the fun of it. Some nights, the game plan belongs to the group.

Every other Friday beginning October 5, 5 - 7 pm
